January 1, 2009 to December 31, 2009

4. If required, has your Chapter filed its corporate annual report with the state or province?

Not Required

The Secretary of State requires only a periodic report. Texas AFCC filed a report in June of 2008.

5. Has your Chapter filed its annual state or provincial and federal tax return?

Yes

Texas does not have a state income tax.

6. Is your Chapter in compliance with federal and/or other requirements to maintain your 501c(3) tax exempt status?

Yes

7. Please identify any special Chapter initiatives over this reporting period.

The Board of Directors for the Texas Chapter voted to pay for one member's registration fee to the Parent Organization's annual conference. The member can enter his/her name in a raffle at the annual meeting. The winner of the 2009 registration fee is Janet Heppard. The Board of Directors also began discussing collaboration with new partners, such as various law schools, schools of psychology, schools of social work, etc. throughout the state. The Board of Directors also began discussing the possibility of a part-time staff member to assist with conference planning and implementation of Chapter goals.

8. Please list any specific Chapter concerns.

Our chapter leadership is concerned with membership maintenance, how to serve the various populations of a state the size of Texas, and addressing the concerns of the professionals and families in the state. The size of our state often inhibits our efforts as a Chapter. What works in a small county does not necessarily work in a larger, urbanized county, and vice versa. We are also eager to continue our efforts to market AFCC and its mission.

9. Please describe what your members have received for their dues this year.

Our members received a discounted rate to the State Annual conference, a chance to receive a scholarship to the next AFCC conference in Denver, and two state newsletters.
