EQUAL PARENTS WEEK

The TEXAS AFCC Conference The Child's Voice will be held during EQUAL PARENTS' WEEK, September 23 - 29, 2002. Equal Parents' Week is a movement sponsored by the Children's Rights Council, which sends the message that parental rights and responsibilities must be shared equally by both parents. The purple ribbon is the symbol which sends this message. People are urged to send this message by wearing purple ribbons this week and tying them everywhere they can be seen. Thanks for your support.

OPINION POLL ONLINE

The Child's Voice Opinion Poll is now available online. Take the interactive version, or print out a copy and mail it in. Invite your colleagues to take the poll. www.texasafccnet.org
